**WYN47244
Oil System Cleaner - 325ml**

Used to clean dirty or contaminated oil systems. Frees piston rings and hydraulic valve lifters. Prevents contamination of new oil. Petrol and diesel engines.

**WYN77441 - Engine
Oil Stop Leak - 325ml**

Used to solve engine oil leaks and smoke on start up. Revitalises rubber and neoprene seals of crankshaft, camshaft and valve stems. Does not influence oil quality or viscosity. Petrol and diesel engines.

**WYN74944
Super Charge - 325ml**

An oil soluble supplement designed to improve high temperature viscosity characteristics of engine oils and prevent rubber/neoprene seal leakages. Restores compression and oil pressure. Petrol and diesel engines.

**WYN76844
Hydraulic Valve Lifter
Concentrate - 325ml**

Restores efficient working of hydraulic valve lifters. Releases sticking valve stems and hydraulic valve lifter components. Dissolves dirt, gum and varnish deposits in the oil channels. Petrol and diesel engines.

**WYN50865
Stop Smoke - 325ml**

Reduces exhaust smoke due to oil burning. Seals the gaps between worn engine components. Improves compression and engine performance. Reduces engine noise. Petrol and diesel engines.

**WYN59408 - HPLS
Transmission
Treatment (+ Stop Leak
Properties) 125ml**

H.P.L.S. is a manual gearbox treatment which improves gear shifting, lowers gearbox noise and stops oil leaks. Not for use in automatics.

**WYN64505 - Power
Steering Stop Leak
325ml**

Power Steering Stop Leak is an oil soluble supplement to stop and prevent leaks in the power steering system. Cleans and protects the system.

**WYN45644
Cooling System Stop
Leak - 325ml**

Designed to stop small leaks in the radiator and cooling system, with anti-corrosive properties. Stops head gasket leaks.

**WYN45944
Cooling System
Flush - 325ml**

A concentrated product designed to thoroughly clean all automotive cooling systems. Restores the optimal operation of the controls within the cooling system.

**WYN51668
Diesel Injector
Cleaner - 325ml**

Cleans and protects the entire fuel system. Cleans injectors and restores spray pattern. Improves the ignition quality and combustion of diesel fuel. Reduces diesel knocking noises and soot particulates.

**WYN28392
Diesel Particulate Filter
Regenerator - 500ml**

Easily cleans and regenerates a blocked diesel soot filter without dismantling. Super-fast results. Regeneration process starts immediately. Meets Euro 5/Euro 6 standards.

**WYN18985
5 Litre Off-Car
DPF Cleaner**

Designed to clean the Diesel Particulate Filter (DPF) off the car. Eliminates blockages in the DPF caused by soot, ash and other contamination.

WYN50393
Diesel Emission
Reducer - 500ml

A chemical treatment that reduces exhaust emissions and improves engine performance and fuel economy. It also prevents the negative effects of water in diesel fuel.

WYN12293
Diesel Extreme Injector
Cleaner - 500ml

A diesel fuel additive, which provides a strong one tank clean-up of the diesel fuel system. Instantly cleans and protects the injectors, restores and maintains ideal injector spray pattern.

WYN25241
Diesel Clean-Up
325ml - Application
via Fuel Filter

MOT BUSTER - Smoke and emission reducer concentrated, direct application via the fuel filter. Reduces black smoke, soot and exhaust emissions.

WYN23379
Diesel EGR
Extreme Cleaner
200ml Aerosol

Air Intake, Inlet Valves, Air Flow Sensor, EGR and Turbo Cleaner in an aerosol. Dissolves gum, lacquer, tar, carbon and deposits. Improves accelerating properties.

WYN32092
Diesel Turbo Cleaner
500ml

A chemical treatment that clears blocked turbochargers and frees sticking turbo vanes. Re-establishes engine power and throttle response.

WYN55964
Petrol Injector
Cleaner - 325ml

Cleans injectors and pump and keeps them clean. Improves cold starting properties. Lubricates injectors, valves, pump and upper cylinder area. Improves combustion and engine performance.

WYN29793
Petrol Extreme Injector
Cleaner - 500ml

Complete and rapid cleaning of the entire fuel system in one tank filling. Instantly cleans and lubricates the injectors, restores and maintains ideal injector spray pattern. Restores engine performance.

WYN29393
Petrol Emission
Reducer - 500ml

Improves combustion and reduces CO and HC emissions. Perfect for pre-MOT. Reduces internal friction between engine parts leading to improved fuel economy, power and acceleration.

WYN54179
Air Intake and
Carburettor Cleaner
(& Throttle Valve
Cleaner) 500ml
Aerosol

Eliminates dirt and deposits in the air intake manifold, on the throttle valve and on the visible carburettor parts.

WYN38501
Airco Pure Aircon
Cleaner - 150ml
Aerosol

Highly effective cleaner for air conditioning systems, including the evaporator. Eliminates unpleasant odours, microbes, mould and bacteria.

WYN57680
Black Gasket Maker
200ml

Replaces cork, felt, paper and rubber gaskets. Withstands low temperatures up to -40°C and high temperatures up to 232°C

WYN35232
5 Minute General
Purpose Epoxy
Dual Syringe, 2x25ml

General purpose epoxy adhesive is two-part adhesive and filler system. Sets in five minutes. Temperature range -51°C to 82°C. Permanent strength up to 3400 PSI.
